9:15 AM- Puppy Manners

A foundation class for puppies 8 weeks to 6 months of age. You will learn to train your puppy to respond when they hear their name. Once you have their attention, you will move on to basic “sit”, “down”, “come”, and “stay”, as well as appropriate leash walking behavior. We will also incorporate some fun obstacles for them to learn to build confidence and become more social. Other puppy problems will be addressed as needed.

Treats and/or tug toys, whichever your pup prefers. We want you and your pup to enjoy training and have fun, on your journey to make your pup a perfect companion.

10:15 AM- Basic Obedience

A class similar to Puppy Manners for older puppies and dogs at least 6 months of age. You will work with your dog to develop skills such as walking on a leash without pulling, come and stay. We will address other problems that are happening with your dog in order to make them the companion you are looking for. Our goal is for you and your dog to have fun working together!

Please bring treats and/or toys to keep them motivated and happy.
